NOTES AND PRECIS.

P.U.C.

1 Please see the last para of Commissioner's letter in which he suggests that the candidates for the Accountant's post should be offered, if found suitable, the option of permanent transfer to the C.& M. Station service. In the U.O. note to the Commissioner we suggested that for the -- present we might borrow a clerk from Madras pending the -- question of retrocession of a portion of the C.& M. Station, Bangalore.

2 In this view a draft to the Inspector General of Police, Madras, is submitted. The question of permanent transfer to C.& M. Station service can, if necessary, be considered -- later.

5 Under the rules in the Audit Code regarding allocation of leave salary and pension between different Governments only proportionate leave salary and pension when the lent officer goes on leave or retires will be debitable to M.A.T. and no contribution for leave salary or pension is payable (unless the lent officer is subject to Revised Leave Rules in which case contribution for leave salary alone will be payable). There will therefore be no extra cost by way of contributions, but the travelling allowance

to and fro will be extra. If the Madras Government insist on payment of contributions, the sanction of the Political Department will be necessary as it will mean a departure from the code procedure accepted by all Governments.

6 In the last sentence of para 3 of the draft the old and new scales may be specified as old scale will be admissible only to those who entered government service before 16-7-31.

1 The Govt. of Madras say that subject to the conditions mentioned by the Inspector General of Police, Madras, they will have no objection to lend the services of a clerk. One of the conditions stated by the Inspector General is "as usual, the Govt. of India should pay the necessary contributions for leave and pension". Presumably this means, that the usual proportionate leave salary and pension, when the lent officer goes on leave or retires, will have to be debited to M.A.T. In this connection please see -- F.A's note at para 5 supra.

CORRESPONDENCE.

OFFICE OF THE HON'BLE THE RESIDENT IN MYSORE, BANGALORE. 30 AUG. 1939 Diary No. 9021 File No.	To
---	----

The Secretary

to the Hon'ble the Resident in Mysore,

Bangalore,

Sir,

I have the honour to report that the Accountant of my Office will complete his fifth extension of service on 30th November 1939.

There is no one in my Office competent to replace him. This was the reason for the extensions of service already granted to the present Accountant and the reason still holds good. None of the clerks in my Office have passed an accounts test.

The accountant must be capable of acting for the Manager of the office when need be. I consider none of my clerks yet competent or sufficiently senior to assume such a position of responsibility.

The present accountant is likely to ask for a period of leave preparatory to retirement and I therefore request that this matter be treated as very urgent.

In view of these circumstances, I request that the Inspector - General of Police, Madras be asked

(a) whether he would be willing to lend a clerk qualified for appointment in the Madras Province as accountant and on the list of those considered fit for promotion as Office Manager, for employment as accountant in my office for a period of either 3 or 5 years (preferably 5 years), and

(b) whether he would be good enough, if he accepts the proposal, to send as soon as possible, names of a few selected volunteers if such come forward.

The scale of pay of the accountant in my office is Rs.80 - 4 - 120.

I would suggest that a suitable candidate be offered as starting pay, the stage in this scale next above the pay that he is actually drawing in Madras.

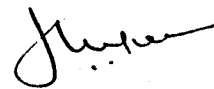

A candidate with a knowledge of Tamil is essential and one with additional knowledge of Canarese and/or Urdu would be preferred.

I would also suggest that the candidates for the post should be offered, if found suitable, the option of permanent transfer to the C. & M. Station service, for promotion as Manager when a vacancy occurs, and should be guaranteed the option to revert to Madras Service in the event of retrocession.

I have the honour to be,

Sir,

Your most obedient servant,

Commissioner of Police,

Civil and Military Station, Bangalore.

Dated 19th November 1939.

To:-

J.M.GREEN, Esquire, I.P.
Commissioner of Police,
BANGALORE.

Sir,

As there is a rumour that the present Accountant of your office will get one more extension, though he enjoyed more and completes 60th Birthday, and put up more than 30 years of service, I beg to inform you that if such old people get extension after extensions, when we the young, who are loitering without employment, to serve the Government.

His extensions show that no one in the office is to look after his work, which is absolutely nonsense. There are so many capable clerks who are anticipating promotions, but for his extension they are handicapped. It is not only discouraging them but also to us who are loitering without appointments.

A chance of permotion may be given to other deserving clerks, on a condition that they should pass the Accountant Test within a year or so. By doing this a vacancy will be created, and there is every hope of solving the unemployment problem.

In no way the extension of clerical staff will help the present situation of the world, but only an extra expence to the Government in these hard days.

Besides there are clerks, in the Department, who are put up nearly more than 30 years of service, and eligible to get full pension, they are still serving the Government. Why these people should not be compled to retire, and leave chances for the young people ?

In any way we hope that my suggestion will not offend you, and you would deeply consider before granting one more extension though already enjoyed about five. and completes his 60th birthday.

If the higher authorities fail to consider these points the poor should starve to death when they are unable to get appointments.

We request, at least our names may kindly be registered for future vacancies, so that we may expect vacancies after the present waiting list, which can only be done by compelling the old ones to retire which is reasonable, and let the young and energatics may serve the Government.

I beg to remain
Sir,
Your most obedient servant.
